### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. David Olynick on 12/6/04.

The application has been amended as follows:

## REASONS FOR ALLOWANCE

2. The following is an examiner's statement of reasons for allowance:

Prior arts of record do not disclose or fairly suggest the method for playing a game of chance comprising all the steps performed in details and in order set forth in claim 1. Specifically, none of references discloses positioning under control of the master gaming controller a virtual camera in the three-dimensional gaming environment wherein a portion of the three-dimensional gaming environment captured by the virtual camera is for rendering a slot game of chance including symbols displayed on a pay line, or a card game of chance including a display of cards used in the card game of chance; the positioning step is embedded in the method of playing a game of chance on the gaming machine set forth in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kim Nguyen whose telephone number is (571) 272-4441. The examiner can normally be reached on Monday-Thursday from 8:30AM to 5:00PM ET. The central official fax number is (703) 872-9306.
